

KIMBERLEY HAND PERPETUAL TROPHY

Presented to the team which scores the most goals during the minor round of each season. At first it was an overall trophy but in 2010 a second trophy was donated so that one could be for Seniors & one for the Age competition.

This trophy is in remembrance of Kimberly Hand who was a goal shooter for Reds, a team within the Association. Sadly she passed away from leukaemia at a young age and her Team donated this trophy in her name.
